## Welcome to TribNet 2025!

Before you register, please make sure to read through this message thoroughly as we have implemented some changes that may affect your travel schedule.

On **Tuesday, June 17**, there will be an opportunity to attend **three additional classes, available for an extra charge**. Information on how to register and further details will be provided soon. The sessions that will be available will be:

- a. Production Management (TrulinX Software)
- b. Report Designer (TrulinX Software)
- c. **Beginner** Report Generator Class (Tribute Software)

The **Opening Reception is scheduled for Tuesday evening**. Wednesday evening is left open for you to spend time networking with colleagues and others.

The **President's Dinner will take place as usual on Thursday evening**.

On **Friday, June 20**, there will not be any traditional sessions. Instead, we're introducing **One on One Huddles**. These sessions can last from 30 minutes to an hour, depending on the host, and you can choose the discussion topic. Note that these huddles need to be pre-paid, and we will share how to register and other details soon. Space will be limited.
